I, \_\_\_\_\_  
understand that a donation to the Assiniboine Park Conservancy for a bench tribute or fence/wall plaque does not constitute ownership of the item, the land upon which it is situated, or the surrounding area. Benches and plaques will be exposed to natural elements, pedestrian traffic, and other wear and tear. Bench tributes are provided for the natural life span of the bench (guaranteed minimum 10 years). The Assiniboine Park Conservancy agrees to maintain all Park benches and plaques against extreme weather damage and vandalism. Renewed tributes on new benches are offered to existing bench donors at 20% less the current requested donation. APC reserves the right to temporarily or permanently relocate benches and plaques in necessary circumstances. In such cases, the Conservancy will make all reasonable efforts to consult with the donor, family members or representatives prior to any such relocation or alteration.
